Customer Reviews

Not the best quality book. I know you get what you pay for, but the lines were crooked and the cover is paper. This is good for a prop, but not every day use. I wished I spent a few more dollars to get one with a nicer cover that was a journal.

A fantastic gift- it made several of my co-workers laugh! It's a nicely bound notebook, soft, and fits easily in a handbag as well.

It was bent and scratched when I bought it :(not worth the purchase
