The Sugar Queen

Synopsis

NEW YORK TIMES BESTSELLER • In this irresistible novel, Sarah Addison Allen, author of the bestselling debut, *Garden Spells*, tells the tale of a young woman whose family secrets and secret passions are about to change her life forever. Josey Cirrini is sure of three things: winter is her favorite season, she's a sorry excuse for a Southern belle, and sweets are best eaten in the privacy of her closet. For while Josey has settled into an uneventful life in her mother's house, her one consolation is the stockpile of sugary treats and paperback romances she escapes to each night. Until she finds her closet harboring Della Lee Baker, a local waitress who is one part nemesis and two parts fairy godmother. With Della Lee's tough love, Josey's narrow existence quickly expands. She even bonds with Chloe Finley, a young woman who is hounded by books that inexplicably appear when she needs them and who has a close connection to Josey's longtime crush. Soon Josey is living in a world where the color red has startling powers, and passion can make eggs fry in their cartons. And that's just for starters. Brimming with warmth, wit, and a sprinkling of magic, here is a spellbinding tale of friendship, love and the enchanting possibilities of every new day. From the Trade Paperback edition.

Customer Reviews

Much like her charming debut novel *Garden Spells* (Bantam Discovery), Sarah Addison Allen's *Sugar Queen* is a blend of food and magic. Josey Cirrini is fast approaching thirty. She's a plump, painfully shy recluse who hides in her closet stuffing herself with junk food and reading romance novels to find solace from her overbearing mother (the two live together). While her mother Margaret was a classic Southern belle, Josey is mousy and timid, with no friends, no love life, and no dreams. She's expected to stay and care for her mother. But Josey's dull, predictable life is turned upside-down when bad girl Della Lee mysteriously appears in her closet, smack-dab in the middle of her stash of moonpies, pecan rolls, and Little Debbie snacks. Della Lee is Josey's opposite: she lives fast and hard, has been arrested for solicitation, and seems to be on the run from someone. The only problem is that she refuses to leave the closet. Desperate to be rid of her, Josey agrees to do several favors for Della Lee, which starts her on a journey of self-discovery regarding her family's past. Della Lee becomes a sort of fairy godmother responsible for giving Josey a newfound sense of confidence, and encouraging her to pursue her infatuation with hunky, injured mailman Adam, who's hiding out from his own secret. Allen cleverly themes each chapter title around Josey's love of sweets, with the candy names reflecting various plot points: SweetTarts, Sno Caps, Sugar Daddy, Mellowcreme Pumpkins, Candy Hearts, and Mr. Goodbar all make guest appearances.
