# Mail Order Bride: The Golden Locket: Clean Historical Western Romance (Sweet Frontier Cowboys Series Book 4)

## Synopsis

Clean and Wholesome American mail order bride historical western novel romance. Love is starting to warm up in more ways than in Frontier Arizona 1893. Inspired by actual Historical events. This historically inspired Western romance much-loved series is about empowered women who turn around their hopeless circumstances in this mid-19th-century tale of the old West, with strong faith and discover genuine men and true love. Meet Cindy, she's 21 years old, strong, buxom and healthy. She loves children and wants to be a school teacher. However, Montgomery Alabama has plenty of single gals looking for the same position and also there is a short supply of young marriageable, reliable men. She doesn't want to end up a spinster! On advice from the local organist of the church, she is directed to a Matrimonial posting out west, where there is a significant demand for both school teacher and willing Pioneer Woman. She contacts Edwin Tewksbury, and a flicker of light and hope are started for a fulfilling life in the Wild West! What huge issue did Edwin leave out, that will change her life forever? Why is the Gold Locket an important key to an unsolved mystery? Can Cindy ever find and keep true love in the Wilds of early America? Put on your hat, gloves and boots it is going to get mighty messy at a time with cattle rustling, feuding and fighting. Get to know the loving Tewksbury family and their rivaling neighbors, the Grahams. See if Cindy finds a fulfilling life and true love that she is looking for in this amazing adventure!... a story of hope, fear, romance, suspense and true love. .... While this book is part of a romance series, it can definitely be read as a standalone book. ## Customer Reviews

Cindy Gibson wanted to be a teacher, but there were so many women in .Montgomery Alabama who had no husband's they had to support themselves that it was impossible for her to get the job she wanted. After talking to one of the older ladies in town she took her advice and found an ad for a bride who could teach in the state of Arizona. Cindy married Edwin Tewksbury who was a very handsome man with dark hair and almond shaped eyes, she found out his mother was a native American Indian. He had 1 sister and 4 brothers, Sam, Luke, Albert, Matthew and Camille. His father is James canes from Ireland and his mom Aiyana had passed away. This is a wonderful story but it has some feuding between neighbors, and some prejudice from her mother but the outcome is great and so true to life.

It was okay. This is not light read and some heavy subjects are written in this religious romance novel. It is religious as it mentions faith, prayer and bible passages. It does have a strong heroine. I just felt the blurb leaves out half the book. It was shocking, dramatic and heart wrenching to read the twist mid point in the book. The reviews also failed to give me insight to this dramatic turn and so I felt I had to write review to give a hint to future readers. You can say so much with so little and not give out the twist. It was written well. The reason I gave it a three is because I felt the twist was glossed over. The author did not give me time to process that twist before I felt she was moving on to the healing process. I was not there yet. The period the author skipped could have been a chapter to allow me time to process the events and come to terms with it. Just felt it cut me off and I

was not ready to move on. Anyway, pay real close attention to the three questions in the description because it will provide you better understanding of the shocking twist and good description of what to expect on this book. "What huge issue did Edwin leave out, that will change her life forever? Why is the Gold Locket an important key to an unsolved mystery? Can Cindy ever find and keep true love in the Wilds of early America?"

This book had a lot of sadness especially when the heroine's husband died, and the saga continues sometimes good and sometimes not. The story is based on some historical events that really happened. I enjoyed the twists and turns in the story and hope you will also. 5 star's is my rating!!!!

What a wonderful read. Cindy becomes a mail order bride out west but she was surprise that her groom was half native American . But they fell in love then comes prejudice, loss and a new beginning. This was a excellent read I recommend .

The story was about predigious and faith, and love. How God has a plan our lives and we may not understand why bad things happen but poi d does.
