Shackled (Cuffed, Book Two) (An Alpha Male Romance)

Synopsis

Introducing Shackled, the second book in a seductive new romance trilogy from author Eva Grayson. Cassidy What an arrogant prick. I cannot believe Austin Smith has the balls to hit on me right now. I don't care if he's gorgeous, rich and as sexy as any man I've ever met. Austin Smith left my life in shattered pieces with nobody around to help pick them up. But here he is, at this bar, hitting on me, and I can tell he has absolutely no idea who I am. The bastard doesn't even have the courtesy to remember the faces of those he crushes under his expensive Italian loafers on his way up the ladder of success. I want to get some revenge. I'm just not sure I'm strong enough to resist having a little taste of him first. Austin There's something about Cass. Something vulnerable, something sexy, something I can't quite put my finger on. But I can put my hands all over her, and I will. She's playing coy, hard to get, but not hard enough. And soon I'm going to get her out of this bar and into my bed. I know it's only a matter of time before she's naked beneath me, and I can already practically taste her on my tongue, feel her skin, and damn if she's not driving me crazy. I live a high-stress life and there's very little time for pleasure. But tonight, I intend to take my time with this woman. And before all is said and done, I'm going to have her CUFFED.

Customer Reviews

I loved Cassidy revenge tactics on Austin and. his pay back move on her. The adage about love and hate definitely played out in this book. The pages to their story really sizzles. This was an enjoyable read. Recommend this book for mature reader's.

I give the book 3 stars. The series is very good, but book 3 was very short and led into a whole different trilogy.

Wow, I can't figure out who is more stubborn but I have book three and intend to find out right now
