Law Of Attraction: How To Use The Law Of Attraction To Manifest Positive Energy, Better Relationships, More Money And Success

Synopsis

What is the Law of Attraction? The simple answer is, you attract whatever you put out. That means if you demonstrate a positive attitude and your actions follow, you'll get mostly positive results in return. If you are negative and always pushing negative thoughts, energies, and actions into the world, you're going to get only negativity back. It's an important way to live if you have been working hard on gaining something, looking for a new career, or seeking out better relationships. This book will help you understand the power of the Law of Attraction, and will show you how you can apply it to achieve your goals and shift your life's perspective. By listening to this book you'll learn: Why it is so important that you believe in yourself Principles of the Law of Attraction Exercises and tips for how to apply the Law of Attraction How to adopt positivity and reject negativity How to attract love and beneficial relationships to you How to manifest abundance, more money and wealth The Law of Attraction is going to work in your life whether you want it to or not. Learn how to harness this power, and make it bring about positive results. Download Law of Attraction now!

Customer Reviews

This book taught me how the law of attraction works in my favor through affirmation of the things that i want to have or achieve in my law. It clearly states that it attracts what you think, therefore if you are thinking negative it attracts negative things into your life and positive things if you have a positive mindset. This book is informative indeed, so i gave it 5 stars!

This is such an amazing book! I found this book to be an interesting approach to the Law of Attraction. It contained some good philosophical underpinnings and some practical applications. This book helped me better to understand the law of attraction and what I can accomplish with it. I look forward to receiving not only physical gains but a new more positive me. This is a great read for anyone new to the law of attraction. It worth reading!

It's an amazing book. I can't wait to put the exercises into practice! I love how straight forward the habits are. This is a great guide to the Law of Attraction but also simple steps that will help you live a life with more positivity and less stress. I highly recommend is book! Really worth reading!

It was really nice to have this book as your guide in your life. my favorite part here is wealth vs money. i really have learnt a lot in this book. looking forward to read more from brianna anderson. the writings were so superb and easily understand by the readers. Great book indeed. highly recommended.
