Marriage On The Rock: Couple's Discussion Guide

Synopsis

Society requires years of preparation for almost any significant career endeavor, but demands no real preparation for one of the most crucial undertakings in life: marriage. In an age of disposable marriage and information overload, where can couples turn for real answers that will make their relationships work? Only to God. *Marriage on the Rock* clearly details God's principles that will turn disillusioned, divorce-bound marriages into satisfying dream relationships. This discussion guide will show you: Why no human being can meet your deepest needs - only God can The secrets of a solid marriage The four foundational laws of marriage What the Bible says about the roles of husbands and wives How to understand and meet your spouse's needs The five essential skills for maximum sexual pleasures This *Marriage on the Rock* discussion guide is designed for couples to be used in conjunction with the DVD SERIES or CD SERIES.

(Also available on CD)Married when they were both just 19 years old, Jimmy and Karen Evans were not prepared for the difficulty and struggle of forming a lifelong relationship. After several years of trying, they were ready to end it all--nearly divorcing, when instead they both opted to stay together and try to make it work.Today, more than three decades later, their own marriage relationship serves as a model for many others. Together, they are the founders of "Marriage Today" ministries, which includes a national broadcast received by millions of homes each week. After learning from his own early miscues, Jimmy Evans became a marriage counselor at a church in Texas, later transitioning to senior pastor of a large church in Amarillo.*Marriage on the Rock* is a Biblical

prescription for building a lasting marriage union, covering essential marriage skills like problem solving and effective communication, plus tips for money management, sexual satisfaction and more. In addition, key portions of the book deal with destructive patterns and habits, revealing four kinds of destructive wives and four types of destructive husbands. Sections dealing with negative behaviors are filled with specific, direct instructions for change, often with accompanying Scriptures. There may be little here that is new or different, but the book is well-written and speaks effectively to the Evans' core market: Christian married couples who need help forming a closer, stronger and more lasting union. As such, it makes a great wedding or anniversary gift and offers constructive help to those whose marriages are struggling. Note about the reviewer: Dr. David Frisbie is executive director of The Center for Marriage & Family Studies in Del Mar, California.
