Synopsis

After almost losing his left arm in Afghanistan, taciturn rancher, Boone Leland worked hard to make a name for himself and a success of Leland Farms. Sometimes he wondered why since there would be legacy, no children to carry on his name, for who would want to marry a crippled cowboy?

Plus-size model Rebecca Morgan took one look at hard-as-stone rancher, Boone Leland, and knew sheâ™d found her purpose. On his farm to do a photo shoot introducing his new organic vegetable business, the sparks start flying. When Becky realizes the rough-around-the-edges Boone isnâ™t going to make a move, she sets out to seduce him. Will the heat be too hot to handle or will it mold their love into something lasting?

When Boone came home battle beaten with an injury that took some of his bravado with it. He was determined to close up his heart! Although he would never have the life he wanted he was resigned to growing organic vegetables and cultivate his cattle business. As luck would have it fate had other ideas for the heart hardened man! Becky was all luscious curves, was a country girl at heart. Can she seduce the man and give them both what they so desperately want...life, love and children!! She looked past his injury and saw the man! Another amazing book by a truly gifted author!!

This was a good 2nd book in the series. Boone's story. He was a good guy. Not the heart and flowers kind at all but he could be sweet. He's not as mean as Jacob was at one time but he had his a-hole moments. Ha. He did have the woe is me about his arm but he was still fully functional *wink*. Becky was as sweet as can be. I liked her quite a bit. She was funny and just adorable. She had her own insecurities a bit...not horribly so. Watching these 2 characters was entertaining. HEA at the end. Gotta love it.

I thoroughly enjoyed this touching romance. There were not any bad guys waiting in the wings to commit dastardly deeds or dangerous twists & turns which I usually enjoy in a romance. However, this sweet & sultry romance will keep a smile on my face for the rest of the day. Thanks to Ms. Baker & Ms. Mason I am well & truly on a "COWBOY KICK". And what an enjoyable trend it is. Keep up the good work ladies!

Discovered this through Fire and Ice Book Promos. Boone is a sexy cowboy with a damaged arm, and he's got a big chip on his shoulder. When plus-sized model, Becky, arrives, his attraction to her is enough to shock him out of his doldrums. The writers have an excellent way with words, as I could almost picture this big, sexy cowboy. I enjoyed the plot and pacing as it went along, and there's plenty of heat with a whole lot of romance.

I like the stories with plus size women..I am not one, but I like having them in the story . It's refreshing to know that sexy Cowboys fall in love with well endowed women. Becky and Boone had to learn to be open with one another.Sonja StoverBracey

Claim Me , cowboy was an enjoyable light hearted read. There wasn't any drama besides the love affair between Becky and Boone. The story between them is predictable but cute.Although I liked the book it needed more of a spark.

This is a really great romance. Two people falling in love despite there personal issues and perceived lifestyles. I always love it when the bbw gets the gorgeous guy!!

This was a great book to read. I loved the characters and their story line. Only wish it was a little longer to read. Great author.
