Wicked Need (The Wicked Horse Series Book 3)

Synopsis

Rand Bishop's dreams of Olympic gold were shattered years ago but he's left that all behind, settling into a new career and lifestyle that would make any man jealous. While he may not be competitively racing down the ski slopes anymore, he's just as happy getting his rocks off as a Fantasy Maker for The Silo. He's good at what he does. Damn good. But while life couldn't be better for Rand, it seems to be falling apart for Catherine Lyons Vaughn, the dark haired, brown-eyed beauty that has captivated an entire sex club. Having spent years degrading herself on her husband's whim and now left destitute after his death, Catherine has hit rock bottom. With nothing but her body to peddle, Catherine is merely trying to figure out how to survive in a harsh, cruel world. Lucky for her, Rand has taken her under his tattooed wing, and he's determined to give her a safe life where she can be the woman she was always meant to be. Now all Catherine has to do is believe she deserves the chance.

Customer Reviews

-Smutty goodness: sometimes you just want a straight up erotic romance, and this delivers on that, no doubt. Now I have this OCD tendency to need to read book series in order, and when I realized I

had somehow missed this release I was a bit ticked. I have the next book, *Wicked Ride*, waiting for me as an ARC, but I had to see if there was more on Bridger, because yum. What I got was so much more. I really liked Cat and Rand's romance. So let's get to it. Cat has had a rough time of it. Her sick, nasty ole husband has died, and while he told her repeatedly that he would take care of her, as soon as he kicks it, his son comes in to kick her out. The only thing she has is her personal belongings, and a membership to the Silo, the exclusive BDSM club where her sugar daddy liked to watch her get it on with lots of other men. There, she's hooked up with Rand, a Fantasy Maker at the club. Rand's been attracted to Cat, but the moment he sees her sleeping in her car outside the Silo, his protective instincts roar to life. He takes her in, and slowly but surely romance (and a whole lotta sex) happens. The chemistry is solid: Cat and Rand have had sex before this story opens, so it's really about seeing their emotional connection blossom, which I appreciated. The hot sex didn't hurt. The emotional struggle is real: However, it's Cat's complicated relationship with the Silo and the sexual things she's done (for her pleasure as well as survival) that intrigued me and gave a bit of extra depth that I enjoyed. Women and their pursuit of sexual pleasure is always complicated. To revel in it is a double edged sword. Don't enjoy it? You're a prude. Did you like it? You must be a slut. Cat definitely suffers from that guilt.
