Customer Reviews

I love this book and God know I need stress relief! I've be up late the past few nights, working really hard, and the think that kept me calm and on track was taking short coloring breaks!! I highly recommend turning off your cell phone, your computer and every other form of media, taking a deep breath, and just relaxing. There's no better way to do than coloring and this book is great place to start!

This adult coloring is amazing soothing & calms your nerves. I have observed it myself, while I got engrossed in coloring I just forgot the sense of stress and work load that I was going through and it is a very relaxing experience. I hail this overall concept of adult coloring books. Itâ™s amazing. Would really suggest people working in stress to give it a shot.

This was a gift. Recipient loved it.
