## **Synopsis**

Book II in the Series: Tools for the 21st Century Mason A Personal Handbook to carry with you through the Officer Chairs in your Masonic Lodge. Finally, a breakthrough handbook has arrived for Line Officers of Masonic Lodges to track their personal progress, year-by-year. Filled with specific information on each job, checklists, and rosters, this handbook has been designed to be written in as a comprehensive record of your service in each chair, from Junior Steward to Worshipful Master, as well as the non-progressive line offices. Each chapter covers a different office and has a section for you to record your observations on-the-job, which may be passed on to others who succeed after you. It serves as both a record of your personal memoirs, as well as a powerful operational and management tool for any Line Officer. No Lodge Officer should be without it. No longer can Lodges "shoot from the hip" administratively and operationally. Officers must know what to do BEFORE they take office and not six months into the job. Get a copy for each of your Lodge's Line Officers today! It is the ideal gift for someone who is currently serving in or desires to succeed through the various Floor Offices of their Masonic Lodge. If you are currently an officer of your Lodge, this book will provide you with insight into the inner workings of the Lodge and give you a winning jump on â•the knowâ• for what is ahead. For Lodges, it provides a turn-key approach to developing a winning Leadership Team. THANK YOU for your business! A portion of your purchase will go toward improving Freemasonry through Charity, Brotherhood and Service to others!

## Customer Reviews

An excellent handbook & reference to use while you're working your way thru the chairs in the blue lodge. I bought a copy initially from curiosity, and immediately liked it. After I read it, I took it to lodge to share with the brethren, and after we had all had a chance to browse through it, I bought 5 more copies so that each line officer will have it with them in the coming year (and maybe I'll get my copy back :-)) This handbook is different than many of the others that I have used and referenced (such as "Our Stations, Our Places") in that it is more practical advice, and a list of tasks and suggestions for improvement than it is philosophical or esoteric. It describes the basic duties and expectations for each officer, provides a checklist as guidance for working your way through the year in that chair, and leaves a goodly amount of space for you to record your personal notes and lessons learned... either as a reminder, or to be passed on to the brother coming up behind you. Some small adjustments may need to be depending on your grand lodge jurisdiction and the practices therein, but it's just as much a personal journal of your journey or will be, if you use it as the author intended) as it is a handbook or reference. A deep thanks to Brother Hatcher for this working tool!

This up me a great deal to learn the rituals of freemasonry . I hope to find more books like this in order to advance my Craft .

For a JS this is a nice road map to the future. Love the idea of leaving notes for the next brother.

Great overall description of the Lodge. It wasn't specific to my state of Pennsylvania.

Great book I going to order some more. Must have for beginning mason.

FINALLY!!! Something in plain English that is down to earth and gives great, useable ideas. Should be given to every Brother holding a chair.

Gives a foundation to anyone who isn't familiar with the seats or their basic responsibilities.

Excellent reading for upcoming members

Masonic ritual book and other Lodge materials are better guides.
