Yachtmaster For Sail And Power: A Manual For The RYA Yachtmaster® Certificates Of Competence

Synopsis

Yachtmaster for Sail and Power is a major reference book that has proved invaluable for the many sailors following the RYA Coastal Skipper/Yachtmaster Offshore course. This highly respected and refreshingly practical study guide covers the whole syllabus in detail, all illustrated with colour photographs, charts and worked examples throughout. It covers:Â Chartwork - with useful worked examples Â Electronic navigation - how to use the latest technology for safe navigation: radar, electronic chart plotting and GPS Â Pilotage - buoyage fully explained and illustrated Â Communications - information on current maritime communications including GMDSS Â Weather - the elements of meteorology, weather sources and forecasts Â Safety and survival - all the new SOLAS regulations detailed Â Stability and buoyancy - the principles simply explained. Including the latest updates, new artwork and a modern design, this fourth edition compliments the syllabus and assists with exam preparation - an essential companion for anyone enrolling on the RYA Yachtmaster course, whether for sail or power.
