## Synopsis

Caina Amalas is a Ghost nightfigher, a spy and agent of the Emperor, and time and time again she has overcome mighty foes through boldness and cunning. But even her boldness might not be enough to stop the coming destruction. A secretive cabal of sorcerers has created a weapon so powerful that its wielder will have dominion over the entire world - and the weapon is for sale to the highest bidder. Unless Caina unravels the sorcerers' secrets, uncounted millions will perish in the weapon's wrath. Starting with her...

**ABOUT THE AUTHOR** Standing over six feet tall, Jonathan Moeller has the piercing blue eyes of a Conan of Cimmeria, the bronze-colored hair a Visigothic warrior-king, and the stern visage of a captain of men, none of which are useful in his career as a computer repairman, alas. ## Customer Reviews

I just love this series. I love Caina and all her exploits. This book, however, veers off into new territory. Caina falls in love, and this relationship brings a new dimension to the work, and also adds an element of danger. Although there is the exciting adventure story, as usual, in this book, the love relationship between Caina and Corvalis brings a different sort of tension that is missing in the earlier ones. (Her affair with Alistair can hardly be considered a relationship.) She and Corvalis are both complicated characters, she being who we already know she is, and he being an assassin of the Kindred, who is conflicted over just about everything in his life -- his father, his sister, his Kindred association, his association with the ghosts . . . you name it, he can't understand or deal with it on any effective basis. And, these problems cause difficulties between he and Caina and result in her almost losing her life in this book. There is also another relationship thrown in. Kylon Shipbreaker, the stormdancer from the previous book has a prominent role in this one. We already know that he is interested in Caina, mostly just from a standpoint of being fascinated, but in this book, he moves along that trajectory towards infatuation. He is a serious man, though, like Corvalis, and doesn't pursue this in the face of her love for the other man. He is also aware of the difficulty inherent in this situation. They are enemies. He is Kyracian and she is a Ghost working for the Emperor. They are at war. This doesn't dissuade him from associating with her. He is a much deeper man than Corvalis, and has heavy responsibilities to his government, and as the Lord High Seat of his House.
