TW200A1 - Theory Gymnastics - Brillante Level A Revised

Synopsis

Theory Gymnastics is the most creative and comprehensive theory curriculum available and the perfect companion to every method. By combining hilariously funny games with their creative books, the Three Cranky Women (TCW) have elevated music theory from the boring "must-do" to the "I can't wait to do!" Whether a practice page or a brain-teasing difficult puzzle page, the variety of activities requires students to repeatedly use and apply each theory concept in new and different ways. This book is first in a series of theory/ear training books. Brillante is Level A and is the beginning book for ages 5-7. Concepts in Level A include the music alphabet, the grand staff, steps and skips on the keyboard and staff, rhythm up to eighth note pairs, five-finger patterns, I chords, and more! Choosing the right book ensures these concepts are presented through age-appropriate artwork, verbiage, and activities. Upon completion of Brillante, young students who would benefit from review can repeat Level A with Animato or move straight into Level B.

Thanks!

I bought this book for my 5-yrs old who started piano lessons for 6 months. He enjoys it so much that he keeps on asking to do more exercises. So when watching and explaining to him doing it, we, as parents, also picked the knowledge so easily as they are well and joyfully presented. I bought another set of TW200A1 & TW200A2 for my best friend's daughter who is also a piano starter as a X'mas gift.

Recommended by my child's piano teacher. A good book for teaching a child the basics of music theory for piano.

Nice book, price is the same as in musical shop
