## Customer Reviews

Good packaging, arrived on time, I attended many of the wrestling matches in north fl. Still have programs and photos from 1978 thru 1984. Many pleasant memories of the Jacksonville FL matches especially at Thanksgiving. Good book

Results of wrestling cards tell a story. Where certain wrestlers were on the card tell their story in the promotion. Were they in the main event? Were they mid-card talent, or did they open in the first match. In Mark James Florida book all those questions are answered. This is a research treasure of a time when wrestling was presented all over the United States on a nightly basis, and Florida was one of the hottest territories in America. This is a must have book if reliving wrestling's old school golden era is for you.
