Swami Rama founded branches of the Himalayan Institute in the U.S. and abroad, as well as a modern hospital in an impoverished region of India. He is the author of 30 books.

Excerpt "There is nothing in our destiny which we ourselves did not create. The results of actions we performed long ago have manifested as our current destiny We must never forget as humans we have a great degree of freedom of choice. With effort we can focus our scattered mind momentarily and make a decision to involve ourselves only in wholesome actions."
