Title: A Mate for YorkSeries: The ProgramDesignation: Book One of Series, Standalone Novella, NO CliffhangerGenre: Paranormal RomanceAuthor: Charlene HartnadyMy Rating: FIVE DELICIOUSLY SEXY STARS*****Yowza! Charlene Hartnady has obviously been hard at work and her phenomenal creativity and imagination have definitely been working overtime as demonstrated by A Mate for York, the first release in her brand new series, The Program. And may I just say WOW! I love it! The story is original, unique, well crafted, cute, fun, romantic and seductive. Heck, I'm 63 and even I wanted to apply for "The Program." The narrative is exceptionally well written in the third person with alternating his and her points of view. The dialogue is smart, snappy, well executed and flows seamlessly. The entire book is extremely well edited which is always a big plus for me. The characters shine as brightly as the beacon of a lighthouse. They are captivating, fascinating, engaging, endearing, sexy as sin and at times, laugh out loud funny. Another big plus for me is the recurring appearance of characters from Charlene's previously released books which reinforces not only the validity and believability of the series but also the familiarity of the world in which the book has been written. It is always such a treat to see how our favorite characters are doing. Charlene skillfully combines all these elements into a delicious tale filled to the brim with a little light humor, fun-filled adventure, a dollop of suspense, a generous measure of a romping good time and loads of dreamy romance! Where can I sign up for "The Program?
