## Customer Reviews

Have long been a follower of Tim's "Miles Paddled" website so when I heard of this book I knew it was worth ordering. Received yesterday, started reading the descriptions of rivers I'm familiar with and found they were spot on and with excellent details for paddlers interested in this area of Wisconsin. I believe this book will become a standard reference for paddlers in the area, much like Svob's Paddling Wisconsin series is, only covering many rivers not in Svob's. Looking forward to researching (then paddling) the many new unfamiliar places described in this book. Nice job, Tim.

Awesome Book! Worth the Price. I found many new places in South Central Wisconsin to Kayak, that I wouldn't have found before.

Fantastic book! Highly recommended.
