Sapphire Dragon (Awakened Dragons Book 2)

Synopsis

The second dragon has been awakened...Luc, the sapphire dragon, didn't want to be brought back into the world he left behind centuries ago. Especially with a collar that ensures he can't access his incredible powers until he's willing to fight for humanity. He tried that once and he's not willing to let himself care again. Until he meets Hallie, a kind shelter worker whose bright smile and sexy curves melt the ice inside him and make him want to protect humans once more. Hallie knows exactly how unfair life can be sometimes, but she tries to focus on the positive in life. Like her work helping people and animals at an animal shelter. Still, she never expected a god-like, tall, amazingly gorgeous man to walk into her shelter and say he wants to volunteer, and then admit that he just wanted an excuse to get to know her. It seems too good to be true, other than the fact that Luc seems to be hiding secrets behind his dazzling sapphire eyes. As Hallie and Luc's friendship quickly progresses to sensual kisses and hot rendezvous, Hallie is realizing Luc might be more than human, and Luc is realizing Hallie might be his mate. Now if only he can face the monsters of his past, including the one inside of him, to deserve the only woman who makes him feel alive. Warning: contains ferocious dragons, fearsome fights, fiery love scenes and a sweet hairless cat that will steal your heart. The second book in a brand new series with dragons unlike anything Terry has written!

“œl was born as a baby dragon” So what other magical powers do you have? The Dragons are coming! The Dragons are com..i..n.. *looks up at just the right angle* W-H-O-O-O-A!! The Dragons are HERE!! And they are sooo GOR-R-O-A-R-G-EOUS! *said with awe & irreverence* The Dragons were Awakened by Oracle Terry!! WOWOHWOW!! Just.. WOW!! I honestly think that this series (so far) is her ABSO-FLYING-LUTELY BEST. BOOKS. EVER. I couldnâ™t stop reading for anything! Not even sleep! I love these Dragons, their histories, their missions, their powers, just ALL OF IT!! Hallie is one very LUCky gal! This one had me roaring with laughter, maybe not quite as much as Zach, but hilarious all the same! Luc definitely gave me a warm fuzzy feeling inside too, just to different results, unfortunately. *sigh* But that’s okay BECLAWS... I am on Cloud 9 with these Dragons of Terry’s! Or rather, I am FLYING THROUGH Cloud 9 on the backs of her Dragons! There is something intangible, indescribable, a way or vibe with this series that has me so CATIVATED, so enraptured with it, it’s hard to define because it isn’t just one thing. It’s EVERYTHING! It’s funny, sad, heartwarming, heartbreaking, hot, cold, friends, enemies, right, wrong, but it isn’t that simple, it’s not all black and white. Actually it’s Black and Blue, Onyx and Sapphire! wink Terry truly is one DRAGONTACULAR talented author, which is why she is the Oracle! With her natural and exceptional gift for storytelling, I have read & loved every single book of hers that I have read, and that is quite a fair number of them! Her Polar Bears were the first Polar Bear shifter books I ever read, and are actually how I discovered Terry. I honestly would have picked the Polar Heat series as my favorite...until now!
