Customer Reviews

When I was searching for Taize materials, I was frustrated by not being able to see what songs were included in this book so I decided to list them for others to see once I got my copy. Everything on the CD of the same name will be in here as well as several others. There are a total of 50 songs with hymn-like piano parts. Many also contain brass quartets, flute parts or verses for cantors to sing, etc. The listing below includes alternate names in other languages, for example Ubi Caritas and Live in Charity are the same song. I hope this will be helpful to others. I highly recommend this to anyone interested in playing or leading Taize songs.
